EDUCATION

Ph.D. Candidate: Dept. of Anthropology, Emory University **2015 – 2022**

Dissertation: “We Had Nothing”: Understanding the Consequences of the UN Oil for Food Program on Iraqi Kurdish Families

Committee: Peter Brown (co-chair), Craig Hadley (co-chair), Peter Little, Diane King

Master of Public Health: Dept. of Global Epidemiology, Emory University **2017 – 2022**

Certificate: Complex Humanitarian Emergencies

B.A. Anthropology: Dept. of Anthropology, Wake Forest University **2011 – 2015**

Minors in Chemistry, Statistics; Summa Cum Laude

POSITIONS

Anthropology and Middle Eastern Cultures Lecturer, Mississippi State University **2020-2022**

Teaching Medical Anthropology and Introduction to Anthropology for Spring 2022

Taught Islam and Introduction to Anthropology for Fall 2021

Taught Medical Anthropology and Ethnographic Field Methods for Spring 2021

Taught Introduction to Anthropology for Fall 2020

Research Associate, USDA- USAID McGovern Dole School Meals Program **2021-2022**

Assessing the effect of provisioning school meals on student food security in Kenya, Rwanda, Burkina Faso, Senegal, Sierra Leone, and Tanzania

Consultant, Emory University and Global Alliance for Improved Nutrition **2021**

Evaluated grants provided to companies in Pakistan, Bangladesh, India, and Kenya for improving the food security of their frontline essential workers during the COVID-19 pandemic

RESEARCH INTEREST

Agriculture and community development, intergenerational health disparities and the developmental origins of health and disease, medical anthropology and public health, household food and water insecurity, food sovereignty and food justice, conflict and health, economic sanctions and health, maternal and child nutrition, food aid and development, Middle East and Iraq, USA and Mississippi Choctaw

CURRENT PROJECTS

Addressing Education and Health Disparities: A Collaboration with the Mississippi Band of the Choctaw Indians and Mississippi State University

Collaborators

Team members from the Mississippi Band of Choctaw Indians; Will Davis, David Buys, Shawn Lambert, and Gabe Miller in the Depts of Agricultural Economics; Food Science, Nutrition, and Health Promotion; Anthropology and Middle Eastern Cultures; and Sociology at Mississippi State University.

Funding

\$250,000 USDA New Beginnings Grant for Choctaw Education Pipeline to MSU	2021
\$3,000 Internal MSU Schilling Teaching Innovation Grant for Choctaw Cultures Course	2021
\$50,039 USDA Grant to conduct a Demographic and Health Survey (DHS)	2020
\$36,160 Internal MSU Special Research Initiative (SRI) Grant to expand DHS	2020
\$10,000 Internal MSU SRI Grant on Race and Racism for Choctaw Cultures Course	2020

Responsibilities

- Lead team meetings
- Draft concept papers for grants
- Design survey and interview guides
- Mentor all student research assistants
- Facilitate community collaboration with the Mississippi Band of Choctaw Indians

Racial Equity through Culturally Responsive Teaching and Transformative Programming

Collaborators

Ra'Sheda Boddie-Forbes, Kei Mamiya, Timothy Hopkins, Delaney Foster, Harvest Collier, Tessie Wilkerson, Shecoya White, and Will Davis in the Office of Institutional Diversity and Inclusion and the Depts of Food Science, Nutrition, and Health Promotion and Agricultural Economics at Mississippi State University.

Funding

\$5,000,000 NSF Racial Equity Grant (For March 2022 Submission)

Responsibilities

- Lead team meetings
- Draft concept paper for grant
- Draft full NSF grant proposal and budget
- Edit project description drafts
- Guide conversations about cultural competency and cultural humility

GRANTS

Ottillie Schillig Special Teaching Project Grant (awarded), Mississippi State University **2021**

\$3,000 grant to facilitate technologically innovative learning in anthropology classrooms

New Beginnings Tribal Student Program (awarded), U.S. Department of Agriculture **2021**

\$250,000 grant to support recruitment, retention, and graduation of Choctaw students at MSU

Special Research Initiative on Race and Racism (awarded), Mississippi State University **2020**

\$10,000 grant to conduct ethnographic research with the Mississippi Band of Choctaw Indians

Inclusion, Diversity, Equity, and Access Grant (rejected), Mississippi State University **2020**
\$15,000 grant for a community-designed curriculum to teach Choctaw cultures course

YES! Grant Program (rejected), Barilla Center for Food and Nutrition **2018**
Top ten finalist (#4) from 123 grant applicants for a dissertation grant worth 20,000 Euros

Competitive Professional Development Support (awarded), Emory University **2018**
\$6,680 competitive grant awarded to complete a second pilot study for my dissertation research

FELLOWSHIPS, AWARDS, HONORS

National Science Foundation Graduate Research Fellowship, Emory University **2016-2021**
\$34,000 stipend for 3 of 5 years fellowship awarded in medical anthropology for students who show excellent promise as future leaders of their field.

George W. Woodruff Fellowship, Emory University **2015-2021**
\$25,000 dispersed over 5 years awarded to students who have demonstrated outstanding academic achievements and who show excellent promise as future leaders of their field.

Piedmont TATTO Sustainability Project, Robson Fellowship, Emory University **2018**
\$500 stipend awarded for syllabus development focused on applying sustainability to real-world, practical, and policy problems

Election Monitoring Carter Center Pre-Dissertation Fellowship, Emory University **2017-2018**
\$3,000 awarded to collect interview and survey data using the ELMO online platform

Critical Language Scholarship, AALIM and the US State Department **Summer 2017**
Awarded to study Intermediate Arabic for 2 months in Meknes, Morocco

Foreign Language and Area Studies Fellowship, Indiana University **Summer 2016**
Awarded to study Sorani Kurdish for 8 weeks in Bloomington, Indiana

RESEARCH WORK EXPERIENCE

Food Security Consultant, The Minga Foundation, Online **2020**
Consulted on food security, nutrition, and health grants regarding research and intervention

Conflict Resolution Graduate Assistantship, The Carter Center, Atlanta, GA **2019-2020**
Researched the long-term political, economic, and health impacts of sanctions on Syria

Dissertation Data Collection, Slemani, Iraq **2016-2019**
Collected 10 non-consecutive months of qualitative, quantitative, and biological data among Iraqi Kurdish families while training and managing three research assistants

Research Assistant, Food-Well Alliance, Atlanta, GA, USA **2016-2017**
Researched county level food security and food environment data for Georgia

Public Health Intern, Oxford University Clinical Research Unit, Ho Chi Minh, Vietnam **2015**
Analyzed transcripts using NVivo and wrote report on health behavior of backyard farmers

Senior Research Fellow, Anna Julia Cooper Center, Wake Forest U, Winston-Salem, NC **2015**
 Researched legislation about reporting sexual abuse for migrant farmworkers

Medical Anthropology Intern, Wake Forest Dept. of Comm Med, Winston-Salem, NC **2013-2015**
 Processed health data from Latino manual laborers in RedCap

TEACHING WORK EXPERIENCE

Qualitative Methods TA, Emory University, Online **August 2021**
 Taught qualitative data collection methods in QUAL WORKS 5-day Workshop

Qualitative Data Analysis TA, Emory University, Online **January 2021**
 Taught qualitative data analysis and MaxQDA in QUAL WORKS 5-day Workshop

Instructor and Developer, Training Teachers Workshops, Bradost Edu. Network, Iraq **2020**
 Taught syllabus and course design and research methods to Iraqi Kurdish teachers

Qualitative Data Analysis TA, Emory School of Public Health, Atlanta, GA **Summer 2020**
 Taught MAXQDA, a qualitative data analysis software, to MPH students

Instructor of Record, Emory Dept. of Anthropology, Atlanta, GA **Spring 2020**
 Taught in-person and online undergraduate course on Food Systems and Conflict

Graduate Assistant, Piedmont TATTO Workshop at Emory University, Atlanta, GA **Spring 2020**
 Was to teach graduate students and faculty about integrating sustainability into their courses, but the event was cancelled for COVID-19

Qualitative Data Analysis Co-Instructor, Emory University, Atlanta, GA **Summer 2019**
 Taught qualitative data analysis and MaxQDA in Qual Works 3-day Workshop

Introductory Statistics TA, Emory Dept of Quant Theory and Methods, Atlanta, GA **Fall 2018**
 Taught RStudio, a quantitative data analysis software, to undergraduates

Qualitative Data Analysis TA, Emory School of Public Health, Atlanta, GA **Fall 2018**
 Taught MAXQDA, a qualitative data analysis software, to MPH students

Anthropology of Food & Sustainability TA, Emory Dept. of Anthropology **Spring 2018**
 Gave lectures about food systems and sustainability to undergraduate students

Cultural Anthropology TA, Emory Dept. of Anthropology, Atlanta, GA **Spring 2017**
 Taught cultural anthropology methods to undergraduate Emory students

Biological Anthropology TA Emory Dept. of Anthropology, Atlanta, GA **Fall 2016**
 Taught biological anthropology labs to undergraduate Emory students

Teaching Assistant (TA), Emory School of Public Health, Atlanta, GA **2015-2016**
 Taught labs on MAXQDA, a qualitative data analysis software to MPH students

PRESENTATIONS

“Understanding the impact of economic sanctions and food aid on Iraqi Kurdish population health,” Society for Applied Anthropology, Paper in Panel: Ethnographies of Care, Will Present in Salt Lake City, Utah on March 23rd, 2022.

“Workforce nutrition during COVID: Assessing the implementation of GAIN’s Keeping Food Markets Working grant in South Asia and Kenya,” International Food Policy Research Institute’s Delivering Nutrition in South Asia Conference, Paper, Presented Virtually on December 1st, 2021.

“Economic Sanctions in Iraq: A Policy of Starvation and the Communities Who Resisted,” Society for Applied Anthropology, Paper in Panel: Anthropology and the Role of Policy in Community Responses to Changing Social, Cultural, and Physical Ecologies, Presented Virtually on March 22nd, 2021.

“Economic Sanctions and their Impact on Kurdish Food Systems and Household Health,” Afternoon Anthropology Symposium, Mississippi State University, Department of Anthropology and Middle Eastern Cultures, Presented Virtually on February 16th, 2021.

“The effect of economic sanctions and the UN Oil for Food program on fetal malnutrition and young adult health among Iraqi Kurdish families,” American Anthropological Association, Paper in Panel: Shocks and Responses: Employing Diverse Methodologies to Understand Food-System Dynamics. Unable to Present in St. Louis, MO between November 18th and 22nd, 2020. Event downsized due to COVID-19.

“The Carter Center’s Work in Syria,” Emory University, Rollins School for Public Health, Practicum Presentation, Presented Virtually on October 28th, 2020.

“Healthcare systems in crisis and the cost of conflict in the Middle East,” Keynote Address, Emory University, Event on Yemeni Civil War, Hosted by Bridging Medicine and Doctors without Borders Student Groups, Presented Virtually on October 16th, 2020.

“Gleaning, smuggling, and partnerships: Transformations in the Iraqi Kurdish food system to cope with economic sanctions,” Middle East Studies Association, Paper in Panel: Kurdish Cultural Production and Political Responses. Virtual Presentation given on October 7th, 2020.

“Environmental impacts of the US Invasion on Iraqi Kurdish health and agriculture”, Panel Discussion: The Environmental Health Consequences of the US-Led Invasion and Occupation of Iraq from 2003 to 2011, Co-Sponsored by: Environmental Health Department- Rollins School of Public Health, HERT – Humanitarian Emergencies Relief Team at Emory, and Emory School of Medicine, Unable to Present: April 9th, 2020. Event canceled due to COVID-19.

“The biosocial inheritance of economic sanctions: Understanding the links Between food insecurity and chronic disease among families in Slemani, Iraqi Kurdistan,” American Anthropological Association, Paper in Panel: Entanglements of Food, Nutrition, and Health, Unable to Present in Vancouver, Canada on November 23rd, 2019.

“The role of the UN Oil for Food program in the pathway between fetal malnutrition and poor adult health among Iraqi families,” International Society for Evolution, Medicine, and Public Health, Paper in Panel: Life History, Presented in Zurich, Switzerland on August 16th, 2019.

“We just ate dry bread: Understanding and halting obesity among young adults in Iraqi Kurdistan”, Barilla Center of Food and Nutrition’s 9th International Forum, Finalist Presentation for YES! Grant Program, Presented in Milan, Italy on November 27th, 2018

“Navigating the politics of aid through the public distribution system of Iraq”, American Anthropological Association, Paper in Panel: The Politics of the Upper Hand: Aid and Islamic Charity in the Middle East, Presented in San Jose, CA on November 16th, 2018

“Comparing Iraqi regional differences on infant feeding through breastfeeding and formula”, International Conference on Medical and Health Sciences, Paper, Presented in Slemani, Iraq on July 23rd, 2018.

“Understanding the food system in Iraqi Kurdistan informs strategies for buffering food insecurity”, Society for Applied Anthropology, Paper in Panel: What Do We Mean When We Talk About Food Insecurity? Part II, Presented in Philadelphia, PA on April 8th, 2018.

“Is there a “Kurdish” dish?: Exploring the effects of aid and internal displacement on culturally cohesive concepts of food in Iraqi Kurdistan”, Middle Eastern Studies Association, Paper in Panel: Narratives of Struggle: Maintaining and Preserving Kurdish Cultural Heritage, Presented in Washington, D.C. on November 20th, 2017.

“In Need of a Fence: The effect of ethno-religious conflict and history on UNHCR Policy in Iraq”, Society for Applied Anthropology Annual Meeting, Paper, Presented in Vancouver, Canada on March 31st, 2016.

INVITED GUEST LECTURES

“Anthropology in Iraq: the future after *Guest of a Sheikh*”, Class: People and Cultures of the World (ANT 111), Professor: Dr. Margaret Bender, Wake Forest University, Presented Virtually on October 29th, 2021.

“CV Development for the Job Market,” Class: Professionalization, Professor: Dr. Molly Zuckerman, Mississippi State University, Presented on November 6th, 2020.

“Anthropology of food and health in the Middle East,” Class: Global Health (ANT 200), Professor: Dr. Karin Friederic, Wake Forest University, Presented Virtually on April 9th, 2020.

“The gendered impacts of economic sanctions on Iraqi women and their reproductive health,” Class: Gender and Health (ANT 385), Professor: Kathy Trang, Emory University, Presented Virtually, on April 7th, 2020.

“Conflict resolution in the Middle East,” Emory Woodruff Scholars Lunch and Learn, Emory University, Unable to Present in Atlanta, GA, on April 2nd, 2020, Canceled for COVID-19.

“Introduction to anthropology: core concepts and guiding principles,” Class: Introduction to Anthropology (ANT 101), Professor: Dr. Ioulia Fenton, Emory University, Presented in Atlanta, GA, on January 16th, 2020.

“Conflict resolution in Syria: The Carter Center’s work,” Emory Woodruff Scholars Retreat for Scholars Teaching Scholars, Presented at The Grand Resort in Point Clear, AL on January 7th, 2019.

“Understanding the link between economic sanctions and health,” Class: Introduction to Global Health (HLTH 250), Professor: Dr. Helena Pachon, Emory University, Presented in Atlanta, GA, on November 7th, 2019.

“The role of internal displacement in migration and health,” Organization: GlobeMed, Panel: Migration and Health, Emory University, Presented in Atlanta, GA, on November 5th, 2019.

“Economic sanctions and Iraq: An exemplar project in MaxQDA,” Class: Qualitative Research Methods for Global Health (GH 522), Professor: Dr. Monique Hennink, Emory University, Presented in Atlanta, GA on September 17th, 2019.

“The food system and Iraq: Understanding a project analyzed in MaxQDA,” Class: Qualitative Research Methods for Global Health (GH 522), Professor: Dr. Monique Hennink, Emory University, Presented in Atlanta, GA, on September 18th, 2018.

“Participant observation as a method in Iraqi Kurdistan”, Class: Qualitative Research Methods for Global Health (GH 522), Professor: Dr. Monique Hennink, Emory University, Presented in Atlanta, GA, on April 6th and 9th, 2018.

“Navigating ethical dilemmas during field research”, Class: Behavioral Sciences and Health Education (BSHE 538) Qualitative Methods for Research and Evaluation, Professor: Dr. Leslie Muñoz-Johnson, Emory University, Presented in Atlanta, GA, on March 2nd, 2018.

“Migration and health: Examining the effects of internal displacement”, Organization: GlobeMed, Panel: Migration and Health, Emory University, Presented in Atlanta, GA, on November 28th, 2016.

MEMBERSHIPS

Society for Applied Anthropology; American Anthropological Association; Culture and Agriculture; Society for Medical Anthropology; Middle Eastern Studies Association; Kurdish Studies Association; Society for Food and Nutrition; Biological Anthropology Section of AAA; Middle East Section of the AAAs

SKILLS

Languages: Sorani Kurdish – ACTFL Novice High (2016); Modern Standard Arabic – Intermediate High (2017)

Software: MAXQDA, NVivo, RedCap, R, SAS, Express-Scribe, Power BI, Google Open Refine, ArcGIS, Microsoft Office, Tableau, Dedoose, Anthropac, Gephi

Data Analysis: Textual Analysis with Qualitative Coding, Grounded Theory, Content Analysis of Media and Interview Data, Thematic Analysis, Statistical Inference, Systematic Review and Meta-Analysis, Digital Archival Analysis

Data Collection: Focus Groups, Key Informant Interviews, Life History Interviews, Cognitive Interviews, Structured and Unstructured Participant Observation, Ethnography, Pile Sorting, Survey Scale Development, Survey Validation, Survey Administration, Dried Blood Spots

Point of Care Devices: A1CNow (HbA1C Levels), Cholestech LDX Analyzer (Lipid Panels), Hemocue HB 201 Hemoglobin Meter, Microlife Peak Flow Meter

ALTERNATIVE MEDIA CONTRIBUTIONS

Boyd, Bronwen (creator) and AG Tribble (contributor). 2020. Students Speak: Perspectives on the 2020 Coronavirus Pandemic: Episodes 1-5. Department of History, Emory University Archive. Posted on May 5th, 2020.

Episode 1: When did you realize that the coronavirus might be a serious threat? [Link](#)

Episode 2: How has the coronavirus affected your community? [Link](#)

Episode 3: How has the coronavirus affected you personally? [Link](#)

Episode 4: Who/what do you trust for information on the coronavirus? [Link](#)

Episode 5: Do you think things will "return to normal"? Why or why not? [Link](#)

UNIVERSITY SERVICE

- Session Chair**, for Society for Applied Anthropology Meeting, Salt Lake City, UT **2022**
Led SfAA panel entitled “Ethnographies of Care”
- Speaker**, Anthropology Nerd Nite for Anthropology Day, Emory University, Atlanta, GA **2021**
Discussed the anthropology of food, cultural heritage, and pasta with Emory undergraduates
- Panel Organizer** for Society for Applied Anthropology Meeting, Norfolk, VA **2021**
Organized accepted SfAA panel entitled “Anthropology and the Role of Policy in Community Responses to Changing Social, Cultural, and Physical Ecologies”
- Panel Organizer** for the American Anthropology Association Meeting, St. Louis, MO **2020**
Coordinated AAA panel entitled “Shocks and Responses: Employing Diverse Methodologies to Understand Food-System Dynamics” that was co-sponsored by the Society for the Anthropology of Food and Nutrition. Panel canceled due to COVID-19
- FLIP Organization Member**, Emory University Graduate Chapter **2020-2021**
Mentoring other first-generation, low-income graduate and undergraduate students
- Honor Council Student Advisor**, Emory University Graduate Chapter **Spring 2020**
Supported student through informal resolution for first honor code violation
- Panel Coordinator**, Emory School of Public Health, Atlanta, GA **Spring 2020**
Organized Emory panel entitled “The Environmental Impacts of War in Iraq” that was going to be a campus-wide event. Panel canceled due to COVID-19
- Peer Mentor**, Emory University, Atlanta, GA **2016-2021**
Provided guidance to anthropology Ph.D. students navigating the dual MPH degree
- Undergraduate Honors Thesis Advisor**, Emory University, Atlanta, GA **2020-2021**
Advised on methods, literature and writing guidance to two Emory undergraduates on topics of migrants’ health in Morocco and sustainable food sourcing in Atlanta
- Representative**, Graduate Concerns Committee, Emory Dept of Anthropology **2019-2020**
Represented the opinions of all graduate students in Emory’s anthropology department and encourages policy revisions based on community needs
- Peer Reviewer**, Journal of Intersectionality **2019**
Reviewed articles submitted for the Journal of Intersectionality’s special issue: Making Faces: Art & Intersectionality in Iraqi Kurdistan

- Peer Reviewer**, Kurdistan Journal of Applied Research **2019**
Reviewed articles submitted for the Kurdistan Journal of Applied Research's summer issue
- Graduate Student Digital Volunteer**, Culture and Agriculture Section of AAA **2018**
Organized content and submit weekly listserv in MailChimp
- Graduate Partner**, Center for Study of Human Health, Emory University, Atlanta, GA **2017-2018**
Coordinated human-health focused events for the Emory community
- Peer Reviewer**, Yale Journal of Biology and Medicine, Gender and Health Issue **2016**
Reviewed papers pertaining to gender, health, and healthcare inequalities
- Chair of Communication**, Emory Anthropology Graduate Student Association **2015-2017**
Represented the anthropology graduate students to the department and university
- COMMUNITY SERVICE**
- Board Member**, Minga Foundation **2021**
Liaise with partner organizations on community-based initiatives for food sovereignty
- High School Student Mentor**, New American Pathways, Atlanta, GA **2015-2019**
Mentored a teenage Nepali-Bhutanese refugee girl in academics through high school
- English Teaching Volunteer**, New American Pathways, Atlanta, GA **2015-2017**
Taught English grammar and vocabulary to four Syrian women every weekend
- Delegation Participant**, CPT-Iraqi Kurdistan, Slemani, Iraq **Summer 2015**
Listened to stories of human rights abuses from people living in refugee and IDP camps
